- ⊗ **All activities are conducted in English and Spanish by qualified language teachers.**
- ⊗ The activities are organised by subject and theme and follow the curriculum set in Spanish public school. For example: Family, School, Animals, Toys, Hobbies, Actions, Descriptions, Clothes, Body and Face, Food, Healthy eating, Recycling, Environment, CLIL... etc. in order to reinforce and add to learning. Activities are usually in English, however if you want your child to learn Spanish, we can adapt to their needs too.
- ⊗ We encourage the children to work as a team and help each other regardless of age, sex or cultural background. Our activities are designed especially with teamwork in mind.
- ⊗ You can choose your weeks of camp to suit your own timetable from 1 to 8 weeks in total.
- ⊗ There are discounts available for siblings. Contact us for more information.
- ⊗ We have a maximum number of children that we are allowed to have by law at any one time in camp. As such, places are limited and must be reserved in advance. Reservation of a place only requires a deposit of 50€. (In the case of cancellation or a no-show, any deposits will not be returned).
- ⊗ The remainder of the price must be paid by two weeks prior to the start date.
- ⊗ We have full insurance to conduct activities inside and outside our installations. All our monitors hold relevant qualifications for summer camp supervision, plus we have our own qualified lifeguard which is required in order to have beach activities. All our certificates and insurance are available for inspection at any time should you request to see them.
